**Subject: Thursday Gold King Mine Coordination Call**

Local, Tribal, state, and federal executive and emergency management partners:

The multi-agency coordination call will be held at 12:00 noon MDT Thursday, August 13, to discuss the Gold King Mine Incident. The phone bridge will be opened five minutes before the start of the call.

The Colorado State Emergency Operations Center will facilitate/moderate the call. Requests to add people to this notification list may be sent to [chris.sorensen@state.co.us](mailto:chris.sorensen@state.co.us). This list will also be used to share documents and information among the group.

This call will help maintain a common operating picture, share ideas, discuss gaps, and synchronize actions (where appropriate).

The call-in is number is **[Nonresponsive Conference Code]**. Please mute your phone when you are not presenting or asking a question.

Agenda:

- \* In the interest of time, roll call/introductions will not be held. When you are called upon to present a report, state your name and agency before giving an update
- \* EPA Updates

- o Region 8

- o Region 6

- o Region 9

\* Local/State Updates: briefly state current actions, future actions (24-48 hours), and needs. An opportunity will be made for questions after each jurisdiction reports. Only changes since the last call are needed; a recap of prior information is not required.

- o San Juan County, CO and municipalities

- o La Plata County and municipalities

- o Southern Ute Indian Tribe

- o San Juan County, NM and municipalities

- o Navajo Nation and municipalities

- o Ute Mountain Ute Tribe

- o San Juan County, UT
